# National Conference of TB & CHEST DISEASES

## 76<sup>th</sup> NATCON

11<sup>th</sup> - 13<sup>th</sup> APRIL 2022

Venue : MM CONTINENTAL HOTEL  
MM (Deemed to be) UNIVERSITY (NAAC A++),  
MULLANA, AMBALA, HARYANA (INDIA)

## RESEARCH METHODOLOGY Workshop Schedule, April 11th 2022

### About the Workshop

- This workshop would serve as a platform for understanding the basic knowledge of research methodology and its application in quality publications. Organizing such workshops are vital to develop a sound methodological base of the researchers and academicians.

#### Objectives of the Workshop

- To discuss the applications of research methodology in health and allied disciplines
- Understanding basics of research methodology
- Enabling the participants to effectively write their research report or PhD Thesis

#### Topics to be covered

- Research and its Types. Problem formulation and writing research questions. Hypothesis development Types of Research Design. Sampling Design: Basics and sample size determination. Scaling techniques and measurement scales, practice, and Report Writing.

Coordinators : Dr. Ravinder Singh, Dr. Ashoo Grover

TIME	TOPICS	SPEAKERS
02.00 pm	WELCOME	Dr. Jai Kishan
02.10 pm	INTRODUCTION TO RESEARCH. REVIEW OF LITERATURE	Dr. Ravinder Jakhu
02.30 pm	IDENTIFYING PROBLEM AND FRAMING RESEARCH QUESTION	Dr. Ashoo Grover
02.50 pm	OBJECTIVES AND SAMPLING	Dr. Ravinder Jakhu
03.20 pm	TYPES OF STUDIES	Dr. Ashoo Grover
03.50 pm	RESEARCH DESIGNS	Dr. Ravinder Jakhu
04.10 pm	INTRODUCTION TO BIO-STATISTICS	Dr. Ashoo Grover
04.20 pm	Hands-on Workshop	
05.20 pm	DISCUSSIONS ON THE WORK DONE IN THE WORKSHOP	All Faculty Members
05.40 pm	CONSENT TAKING AND ETHICAL ISSUES	
05.55 pm	CONCLUDING REMARKS & VOTE OF THANKS	Dr. Spandan Biswas
