

TB Association of India (TAI) conducted a workshop in its technical wing New Delhi Tuberculosis Centre (NDTBC) on 19th October 2023. About 20 experts in the field of TB and Pulmonary diseases (Pulmonologist, Microbiologist, Pediatrician and Internal Medicine Specialist) attended the workshop. The purpose was to form a question bank to be used for conducting quiz for Post Graduate students during the National Conference NATCON. After deliberation, 100 questions were finalized.

Dr. V. K. Arora, Chairman TAI and Dr. K. K. Chopra, Director NDTB Centre co-ordinated the activity.
