

Dr. Dilip P. Bhanushali National President IMA along with other officials of IMA headquarters and tuberculosis Association of India during the signing of MoU between TAI and IMA Hqs on fighting stigma in tuberculosis.

## Tuberculosis Association signs MoU with Indian Medical Association (Hqs) New Delhi

MoU was signed between Tuberculosis Association and Indian Medical Association (Hqs) New Delhi on 27th February 2025 on undertaking collaborative activities for TB prevention and control.

As per the terms of agreement, IMA (Hqs) has agreed to participate in the AAS Campaign and publicize the intensive activities undertaken during the campaign on Stigma in their Journal of Indian Medical Association (JIMA), State bulletins and all other relevant activities of IMA. TAI will share digital material of AAS initiative (calendar of activities, stigma webinar slides, pamphlets, posters and standees) for distribution by IMA to members of association for display in clinics and hospitals. TAI and IMA will jointly organize a mega event on World TB Day. Online meeting with IMA members is planned on important topics of TB and TB control program
